

MEMORADUM

TO: Harry Smiskin, Yakama Nation Tribal Council
Tribal Chairman

FROM: Derald Ortloff, YN Facility Management Manager

SUBJECT: GRANT PERMISSION TO EPA TO COME ONTO THE YAKAMA NATION
RESERVATION

The Yakama Nation Solid Waste Program is requesting U.S. Environmental Protection Agency (EPA) to assist in the investigation arising from demolition at the Wapato High School and depositing of the Wapato High School's concrete debris at 3960 Ashue Road property owned by Simon Gayton.

YN SWP is requesting assistance from U. S. EPA representative, Emergency Response Team, in the investigation, assessment, analyzing and evaluating a potential hazardous waste site (lead and asbestos) at 3960 Ashue Road.

This document will serve as an interim protocol form to grant permission to the U. S. Environmental Protection Agency to come onto the Yakama Nation Reservation on October 5, 2012

Yakama Nation has called the U.S. EPA and requested that they officially assist the YN SWP in the investigative process.

Signed by Yakama Nation Tribal Council

Harry Smiskin, Tribal Chairman
